CHANGE OF AREA(S) OF CHOICE FORM

The ***TOTAL*** number of areas of choice between Sligo County Council and Sligo Borough Council which can be specified at any given time is three (3). At least one area of choice has to be in an area within where the application is being lodged.

It should be noted that that these areas are **NOT** ranked in priority, you are specifying up to three areas in which you would be willing to accept an offer of accommodation.

It should be noted that in selecting an area of choice indicates that your application will be considered with all others for all the areas listed therein. It is not possible to select individual housing estates. In the event that Sligo County Council acquires housing in another estate it will be taken that the area within closest proximity to this estate will be seen as including this estate.

You may not change an area of choice within the period of 12 months following notification of that area of choice to the Housing Authority i.e. the date Sligo County Council receives the completed change of area of choice form or as indicated on the housing application form.

Applicants should note that offers of accommodation are subject to vacancies occurring within the different areas of choice.

Please list areas where you wish to be considered for housing:
