# Tubbercurry Recycling Centre

*A little information in advance...*

**When it comes to recycling, the most important message is to separate waste correctly and according to the facility requirements.**

-  Tubbercurry Recycling Centre is a domestic recycling facility, no commercial wastes will be accepted onto this site.
-  No commercial vehicles accepted on site.
-  All wastes must be generally clean and free of food waste.
-  Soiled or wet clothing/textiles, duvets and pillows cannot be accepted.
-  No plate glass or windscreen glass accepted.
-  Household hazardous chemicals will only be accepted on **specified days**, dates will be published in local press and on site.
-  Supplementary charges (SC) apply to hazardous wastes and 'difficult to handle' waste types as specified by the facility operator.
