Christmas Tree Disposal

If you are wondering what to do with your Christmas tree when you take it down this year why not recycle it. The Ballisodare Composting Facility is now taking used Christmas trees for a minimal charge of €6. The trees are then processed and turned into a peat free compost which is then sold to the public.

Bring Bank Facilities in Sligo Town and County

Sligo's Bring Banks –glass bottles, jars and aluminium can recycling for domestic household users. Clothes may be recycled at some sites.

In Sligo Town and County, there are 40 Bring Bank sites provided for your free recycling convenience.

The facilities are managed and maintained on a regular basis. CCTV cameras have also been installed at some sites so as to deter the occurrence of illegal dumping.

We are always looking for more sites so if your community would like a bring bank facility, please contact 071-9111901.
