- v) **Public Place** has the meaning as set out in Section 2 of the Litter Pollution Act, 1997.
- w) **Residual Waste** means that fraction of waste other than the dry recyclables and the biowaste fraction. "Residual waste" does not include hazardous waste, bulky waste, fats, oils, grease, electrical waste, electronic waste and glass.
- x) **Roadway** as defined in the Roads Act 1993, as amended.

- y) **The Act** means the Waste Management Act 1996, as amended and includes any Regulations made there-under.
- z) **Waste** has the meaning given to that expression by Section 4 of the Act
- aa) **Waste Food** means biodegradable waste as described in the Third Schedule of these Bye-Laws.

### 3. **AREA OF APPLICATION**

These Bye-Laws apply to the functional area of Sligo County Council.

## **PART II**

### **OBLIGATIONS ON HOLDERS AND COLLECTORS OF HOUSEHOLD & COMMERCIAL WASTE**

#### **4. STORAGE OF WASTE**

- a) A holder of waste shall only store the waste in an approved waste receptacle in a manner not to cause litter or likely to damage the receptacle or cause injury to any person.
- b) All householders and commercial premises owners will be obliged to demonstrate that they are registered with and are availing of an authorised waste collection service where available or are otherwise managing their waste in an environmentally acceptable manner, in accordance with legislation and the provision of waste management plans.  
It will be a requirement to provide the necessary documentary evidence of same i.e. maintenance of receipts for a minimum of three years. Such receipts shall be submitted to the Council if requested by an authorised person.
- c) A holder of waste shall maintain all waste receptacles in such condition and repair so as to ensure that waste placed therein shall not be a source of nuisance, odour or litter and so that the waste may be conveniently collected. Receptacles shall be kept in a clean state and washed on a regular basis where necessary.
- d) A holder of waste shall not place or put in an approved waste receptacle any liquid matter, hot ashes, glass or other matter that might be likely to damage the receptacle or cause injury to any person or that might cause harm to the environment.
- e) A holder of waste shall not use an under sink macerator or similar equipment for the disposal of food waste to the sewer, drain or waste water treatment system.
- f) A holder of municipal waste presenting it for collection is obliged to allow an authorised waste collector to fit or replace a microchip or other means of identification on an approved waste receptacle.
- g) Waste receptacles shall be stored within the curtilage of a building.
- h) Waste receptacles must not be stored on a public footpath or in any other public place unless otherwise authorised by the appointed person in the Council.

## **5. SEPARATION OF WASTE AT SOURCE**

- a)** Waste produced shall be segregated at source. Authorised waste collectors reserve the right not to collect any waste stream presented for collection that appears to be contaminated with other waste types.
- b)** A holder shall separate at source such general waste, dry recyclable waste and bio-waste and present them for collection in the specified receptacle for each waste type.
- c)** The collection of bio-waste is designated to specific areas in the County. Maps specifying these areas are outlined in the Fifth Schedule of these Bye-Laws.
- d)** Authorised Waste Collectors shall provide approved waste receptacles of appropriate sizes in accordance with the number of persons per household and commercial premises and size of space available in the curtilage of dwellings and commercial premises.
- e)** When an approved waste receptacle is presented for collection, the authorised waste collector has the authority to download, write or read information and programme from any microchip implanted or barcode or similar device in or attached to the approved waste receptacle, which will enable the keeping of records relating to the use of it.
- f)** Glass or other types/categories of waste as designated in First Schedule hereto must be disposed of at an approved facility and shall not be presented for collection in a manner specified in this section unless specifically provided for in a waste collection system, or other receptacles, provided by or approved by the appointed person in the Council for use in a separate door to door collection system.

The network of Bring Bank receptacles for the disposal/recycling of glass and cans are solely for use by householders for the collection of glass packaging waste and waste cans arising in their dwellings. Commercial premises shall make their own arrangements with an Authorised Waste Collector / Approved Facility only. The use of the network of Bring Bank receptacles for the disposal/recycling of glass and cans arising from commercial or business activity constitutes an offence under these Bye-Laws.

## **6. PRESENTATION OF WASTE FOR COLLECTION**

- a)** Waste shall not be presented for collection in a public place at a time which is neither a collection day or before 18:00 hours on the evening before collection day.
- b)** A waste receptacle presented for collection shall not be overloaded. The lid of a wheeled receptacle should be securely closed. Waste presented at the side or on top of the waste receptacle shall be deemed to be a breach of these Bye-Laws.
- c)** Waste presented for collection at a Public Place shall be so located as to:
  - 1. Be as close as practicable to its source and
  - 2. Avoid the creation of hazards to traffic (whether vehicular, cyclist or pedestrian).
  - 3. Not cause harm to the environment or create a nuisance, odour or litter.
- d)** A holder shall present all residual waste, dry recyclable waste and bio-waste for collection in a prescribed place in approved waste receptacles. The use of pre-paid bags or pre-paid tags for any waste stream is prohibited within three months of the making of these Bye-Laws.
- e)** Where the holder of the waste is not within a reasonable distance of a service collection route, alternative methods of presentation may be acceptable following agreement with the Council.
- f)** A holder shall be responsible for the security of a waste receptacle at all times including any barcode label or microchip affixed thereto.
- g)** No person, other than an authorised person or an authorised waste collector, may interfere with waste presented for collection by another person.
- h)** No person, other than an employee of an authorised waste collector, may dispose of waste in the vehicles of that collector.
- i)** No person may obstruct or prevent the collection of waste by an authorised waste collector.

## **7. GENERAL / MISCELLANEOUS**

- a)** The owners of holiday houses, apartment blocks / complexes and management companies on a waste collection route serviced by an authorised waste collector shall register, free of charge, with the Council on an annual basis (See Fourth Schedule for registration form).
- b)** Landlords renting properties shall ensure tenants are made aware of and manage their waste in accordance with the requirements of these Bye-Laws.
- c)** No person shall burn waste (whether by backyard burning, ranges, stoves, incinerators or open fires).

Note:

Exemptions for the burning of agricultural land clearance waste can be granted by the Council providing the activity is pre-notified to the Council and carried out in accordance with the Waste Management (Prohibition of Waste Disposal by Burning) Regulations 2009.

- d)** Authorised waste collectors, when requested, shall provide details to an authorised person of the dates and collection times and any ancillary information for waste collections from premises within the Council's functional area.
- e)** A management company, letting agent or an authorised waste collector shall, when requested to do so, provide information in writing to the authorised person in a specified format regarding measures taken to collect/dispose of waste
- f)** These Bye-Laws repeal the Sligo County Council Presentation of Waste for Collection Bye-Laws 2005.

### **Part III**

#### **8. ENFORCEMENT**

- a)** A person who contravenes any provision of these Bye-Laws shall be guilty of an offence under section 205 of the Local Government Act 2001 and shall be liable on summary conviction to a fine not exceeding €1,904.60.
- b)** Where a contravention of a provision of these Bye-Laws is continued after conviction, the person causing the contravention shall be guilty of a further offence and shall be liable on summary conviction to a fine not exceeding €126.97 per day under section 205(2) of the Local Government Act 2001.
- c)** If any person contravenes any provision of these Bye-Laws, the Council may, pursuant to section 206(1) of the Local Government Act 2001, serve on such person a Fixed Payment Notice (see Second Schedule), specifying a fixed payment, as an alternative to a prosecution for such contravention. The amount of the fixed payment shall be €75 and the said fixed payment must be paid within 21 days of the date of service of such Fixed Payment Notice for such person to avoid a prosecution.
- d)** Notice of the Fixed Payment shall be in the general form of the notice set out in the Second Schedule of these Bye-Laws.
- e)** Any person served with a Fixed Payment Notice is entitled to defend a prosecution of the alleged contravention in court.
- f)** Where an authorised person is of the opinion that a person is committing or has committed an offence to which this section relates, the authorised person may demand the name and address of such person and if that demand is refused or the person gives a name or address which is false or misleading, that person shall be guilty of an offence under section 204(3)(b) of the said 2001 Act.
- g)** A person who obstructs or impedes or refuses to comply with a request of an authorised person acting in the exercise of the functions conferred on an authorised person by Part 19 of the Local Government Act 2001 shall be guilty of an offence under section 204(3)(a) of the said 2001 Act.
