

Access to Sligo County Council Services During the Covid-19 Emergency

Following the announcement of level 5 Covid restrictions, Sligo County Council is introducing measures to safeguard the health and well-being of its customers and staff and to help limit the spread of Covid-19. Sligo County Council is continuing to provide essential services, and until further notice these services will be available on-line, by phone, email and with meetings arranged by prior appointment.

A detailed listing of contact details for our services is posted on our website www.sligococo.ie and customers are requested to consult the Council's website and social media platforms for regular updates. The Council regrets any inconvenience caused by these arrangements which have been necessitated by the unprecedented global public health risk.
