

TUBBERCURRY

TOWN CENTRE FIRST PLAN

Tubbercurry has been selected to take part in the government's Town Centre First initiative. The goal of the plan is to develop and improve the facilities and amenities in Tubbercurry, creating a vibrant location for people to live, work and spend their time.

An evening meeting will be held at the **An Chroi Digital Hub** in Tubbercurry on the **Wednesday 24th May from 8pm - 10pm** to introduce what a Town Centre First Plan is and the ways in which the town could benefit from the investment.

There will also be a drop-in public consultation event held at **Teach Laighne** in Tubbercurry on **Thursday 25th May from 10am to 4pm**. The aim of this event is to gather public opinion and hear the views of residents about their experience living in the town and from business owners to understand how they feel footfall and commercial activity might be boosted.

The feedback gathered from these events, and through subsequent consultation methods, will form the basis of the Tubbercurry Town Centre First masterplan.
