“Noting that No 9 St Josephs Terrace is vacant since December 2012; No 38 Seaview Park is vacant since May 2010 and the council house located at Creevykeel, is vacant since January 2012; and further noting that these houses require minor repairs to be carried out on them before they can be made available for persons on the Council Housing Waiting List; this meeting requests Council Management to put a mechanism in place that will ensure that houses which require minor repairs will have the repairs carried out within 3 months of them being vacated.”

10. To consider the following motion as submitted by Councillor **D. Bree**

“Recognising the need for additional public lighting on Cairns Road (No 295) this meeting resolves that plans be brought before the Council (1) indicating where additional lighting can be erected (2) indicating the cost of the provision of such lighting; so as the Council can seek the necessary funding from the Department.”

11. To consider the following motion as submitted by Councillor **D. Bree**

“That the Council be provided with a full breakdown of the expenditure to date of the €1,450,000 in grant aid received from the Department of Transport under the Active Travel Towns Programme; and that the Council also receive a report indicating what specific works are to be carried out on the programme in the current year and what level of consultation has taken place with special interest groups and members of the public.”

12. To consider the following motion as submitted by Councillor **S. MacManus**

“To ask for a report on the possibility of Sligo County Council altering the time limits on car parking in Abbey Street Car Park to allow customers to park there at the current charge of 80 cent per hour for a period of up to four hours rather than the present limit of two hours.”

- 17.** To consider the following motion as submitted by Councillor **M. Casserly**

“I propose that Sligo County Council construct a footpath with handrails adjacent to Grange Temperance Hall, on Chapel Road, Grange. There is a significant amount of traffic using this junction, as this is the only vehicular access to Newgrange and Rinroe including Scoil Naomh Molaise, the Doctor's surgery and housing estates. The hall is used for a large number of community activities, many involving small children, who require safe access to the hall”.

- 18.** To consider the following motion as submitted by Councillor **M. Casserly**

“Given Sligo City's enviable location on the Wild Atlantic Way route, I am calling on Sligo County Council to:

- (i) identify the most appropriate location for a dedicated Coach set down/parking area in close proximity to Sligo City Centre and,
- (ii) to identify/ringfence funding for the provision of this facility in advance of the 2015 tourism season”.
