### **MOTIONS**

13. To consider the following motion as submitted by **Councillor S. O'Boyle**  
"I would like to put down a motion that the Sligo Municipal Authority carry out cleaning and repair work on the drain at 46 Churchill. It is an ongoing problem that the drain gets blocked and more so after the recent bad weather thereby causing flooding that reached to the doorstep of this house".

"To ask Sligo County Council to deal urgently with Dredging at Mullaghmore Harbour".
16. To consider the following motion as submitted by **Councillor T. Healy**  
"To call on Sligo County Council to have a road sweeper carry out a clean during the summer season on all bicycle routes mainly the Rosses Point & Strandhill Road as this has caused concern for cyclists as debris is coming from the road onto the bicycle lane"
17. To consider the following motion as submitted by **Councillor T. Healy**  
"To call on Sligo County Council to address the safety concerns of residents that live in Avena and Bushy Park estate in Ballisodare, along with road users. The concern relates to the 2 large articulated lorries, a number of bread vans and small delivery trucks who are parked along the stretch of road in the morning. This is causing poor visibility for cars and in turn putting the public's safety at risk".

“To call on Sligo County Council to seek funding for R284 in Ballygawley. There is a large indentation in the road between Ballygawley and Ballygawley/Union Wood. This has raised a lot of concern as it is on a straight stretch of road and has caused cars to swerve”
