PERSONS AGED 16 and OVER

In this questionnaire we ask you to provide some personal information about yourself. We do this because of our responsibilities in relation to the principle of equality and non-discrimination in the PEACE programme and the requirement that we provide summary statistical information to the Special EU Programme Body (SEUPB). The SEUPB are the statutory authority in Northern Ireland that administers PEACE funding and they in turn are required to provide the EU with summary statistics showing the profiles of participants attending EU PEACE funded activities.

You are not obliged to answer these questions and will not be penalised if you choose not to. However, it would greatly assist the project meet its obligations to the SEUPB if you would complete the form. To ensure your anonymity please do not write your name or address on the form. This will ensure that it will be impossible to identify you from the information you provide.

Equality monitoring will involve the use of statistical summaries in which the identity of individuals will not appear.

Please note that if you are under 16 there is a separate, shorter equality monitoring form to complete.
